Dear Parents,

First, I want to say thank you so much for giving us the opportunity to serve your family here at KIDZ KORNER. We appreciate being able to care for your families and to help your child's development in every way. This letter contains some housekeeping items related to billing and the financial piece of your child being a part of KIDZ KORNER. While the financial piece of KIDZ KORNER is not a favorite topic to discuss, it is one of necessity in order to maintain the level of excellence at our clinic in regards to equipment and training for our amazing therapists and staff.

You will see on our invoices beginning January 1, 2017 that the rate of reimbursement for services is as follows

OT/PT/ST EVALUATION or RE_EVALUATION - $200
OT/PT/ST 15 MINUTES - $35
OT/PT/ST 30 MINUTES - $70
OT/PT/ST 45 MINUTES - $105
OT/PT/ST 1 hour treatment session - $140

For caregivers who have to pay out of pocket, we like to help in any way we can. We will give parents who have to pay out of pocket a **15% discount** for 1 hour PT/OT treatment sessions reducing the **out of pocket rate to $119**.

- We give a **15% discount FOR OT/PT TREATMENT SESSIONS WHEN THE FULL PAYMENT IS RECEIVED within 30 days of the monthly invoice**. **NO EXCEPTIONS!!**
- **After the 30-day period** has passed the discount is taken away and the caregiver will owe the full therapy amount of **$140** per 1-hour treatment session and/or the amount of your co-payment/cost share**.**
- **After the 60-day period a 15% additional LATE fee** will be added to the **initial** invoice.
- **After the 90-day period you will be turned over to a collection agency and taken off of the therapy schedule.**

I apologize for any inconveniences and appreciate your understanding in regards to these changes. Please do not hesitate to contact me directly with any questions that you may have.

I understand that I am responsible for payment of the account and responsible to guarantee that the account is paid on a timely basis – whether payments are made by myself or by my insurance company. If claims are submitted to insurance and payment is not received within 45 days, I agree to follow up with the insurance company regarding payment.

I understand that if my insurance plan does not allow benefits or approve payment of claims for services my child has received, *I am responsible for all incurred charges and I agree to pay the balance in full.*

Cancellation Policy

Our goal at Kidz Korner is to provide high quality therapeutic care to our client's and their families. We value your time, our time and the services we provide. When you make an appointment at Kidz Korner for OT, PT or ST that time is reserved exclusively for you. We schedule our resources and staff to that appointment time for your family. We do understand that there are times when you will have to miss an appointment due to emergencies or obligations for family or work. Please understand, cancellations without notice cost our facility and staff financially and prevents other children from being seen. This is why a cancellation of an appointment requires notice by either party. YOU CAN CANCEL OR CHANGE YOUR APPOINTMENT without incurring any fees, as long as you give a 24-HOUR notice. You may call 850.200.4348 or email kidzkornerot@gmail.com to leave a message in regard to cancellations.

We do expect a 75% attendance rate for all therapy sessions. If we notice less than 75% attendance rate within a 3 month period, you will receive a warning. If attendance continues to be less than 75%, you will be removed from the weekly schedule and placed on a wait list.

A SHORT-NOTICE cancellation or failure to attend or be present for an appointment that is less than a 24-HOUR notice, will result in the generation of a cancellation fee in line with our cancellation policy. This fee may be waived at the discretion of Kidz Korner Management. If you feel like your circumstances require special consideration, please let us know.

CANCELLATION POLICY:

1. **Failure to Show for your appointment:**
    a. not showing up for your appointment with NO phone call at all, regardless of the circumstances will result in a $25 missed appointment fee. This fee MUST be paid prior to the next appointment.
    b. After 3, NO-SHOW appointments you will forfeit your weekly scheduled appointment, and will go onto a waiting list.

2. **Cancellation of appointment with less than 24-hour notice:**
    a. A 24-HOUR notice is required for cancellation of your child's appointment with Kidz Korner.
    b. Failure to provide less than a 24-hour notice will result in a $25 cancellation fee generation. This fee must be paid prior to the next appointment.
    c. 3 cancellations in a row will result in your child being removed from their regularly scheduled appointment and placed on the waiting list.

3. **Unplanned Cancellations:**
    a. These include illness, weather, family emergency, traffic/accident or other last-minute mishaps. Please call the office as soon as you are aware of the situation.
    b. We understand and will work with unplanned cancellations, however, more than 3 unplanned cancellations per calendar year will be allowed by Kidz Korner. After more than 3 unplanned cancellations are incurred, a $25 fee will be administered to your account that must be paid prior to your next appointment.

I have read and understand the KIDZ KORNER cancellation policy.

Late Pick Up Policy

If you are late picking up your child from an appointment, you are causing another child not to receive their full billable treatment time and affect our therapist's ability to bill and get paid. If you are late two (2) times picking up your child, you will be asked to not leave the premises during their session.

I have read and understand the KIDZ KORNER late pick up policy.

Treatment Room Policy

We have been so fortunate to see such a growth in the number of families that need our help. Due to this growth as well as the privacy laws regarding HIPPA, parents/siblings will no longer be able to go back for OT sessions with their child on a regular basis. Please DO NOT misinterpret that you are never allowed to go back. We ask that you discuss coming back into the treatment areas with your treating therapist so they can reserve a room for the session. Due to space issues, it is possible that another parent will be in the same clinic space at the same time as your child. We will do our best to insure privacy with treatment sessions if this does occur.

While you are in the treating room, siblings are NOT allowed to be on the equipment at ANY time for liability reasons. Please respect this policy.

SICK/ILLNESS POLICY

This facility is a **well-child** facility. This means that if your child is not feeling well, for any reason, you will need to reschedule your therapy appointment.

Please do not bring your child if he/she has a contagious illness or exhibits any of the following symptoms within **the last 24 hours**:

- Fever above 100 degrees Fahrenheit **without medication**
- Vomiting, in excess of typical infant spit-ups
- Diarrhea
- Conjunctivitis ("pink eye")
- Consistent complaints of ear or stomach pain
- Bleeding other than minor cuts and scrapes
- Greenish nasal discharge, indicating possible infection
- Head lice
- If your child has been placed on antibiotics, be sure they are outside of the contagious time period according to doctor/prescription instructions.

If your child or anyone in your family is having any of the above symptoms AND has been EXPOSED to someone who has tested positive for COVID, please call our clinic and cancel any appointments your child has within 5 days of positive test/exposure. If your child is clear to go to school after exposure, they are clear to come to therapy following any of the recommendations that are in place by the school. If your child tests positive, once they are clear to return to school, they are clear to come to the clinic. Please verify with our front desk office how long it is recommended for your child to stay home so that we cancel/reschedule appropriately. If you are home due to exposure or a positive test, teletherapy will be offered to ensure continuation of care.

*******In general, if your child is too sick to go outside and play OR go to school, then your child is too sick to attend therapy.*******

Kidz Korner Bathroom Policy

Toilet training is an important milestone and self-help skill for children to learn. However, as with any learning experience, this process is developmentally individual to each child. Therefore, we understand that your child may not be potty trained and may require bathroom assistance during their session. If the parent is not present during the session and a toileting need arises, the therapist is responsible for supervising or assisting the child as deemed necessary.
If your child is in the process of toilet training or has frequent accidents, please ensure that they use the restroom prior to their session and have a change of clothes as well as a clean diaper/pull-up available.
In order to help us best be prepared and understand your wishes, please check all that apply:

____ My child is typically independent in the bathroom.

____ My child typically requires assistance in the bathroom.

____ I give permission for my child's therapist to assist my child in the bathroom.

____ I do not give permission for my child's therapist to assist my child in the bathroom.

Please be aware that if you do not wish for your child to be assisted in the bathroom, you should remain in the waiting area during the treatment session.

If we do not have permission to assist your child, an accident occurs, and you are not in the waiting area, your child's session may be discontinued for that date of service. This will allow us to ensure our therapy rooms stay in clean/healthy condition for others.
By signing below, I am in agreement with the above policy and allow my child's therapist to assist them with their toileting needs.
